“ Terry and I are so sad at the news of Rogers passing. The Mickels family were an important part of my life.

LaRayne was my Administrative Assistant at West High School. LaRayne took great care of me in some of the darkest days at West. She stood by me and supported me and worked extremely hard to make our office run smoothly. No one could ever replace her.

She was my mentor. I learned to love her and appreciate all her efforts and allowing me to grow as an administrator.

I will always appreciate Roger and his support of LaRayne and her duties at West. I was fortunate to spend time with Roger and his family. Roger always had a smile and treated me as family. We spent time talking about fishing and hunting. He loved his family. He was proud of them. He talked about his Grandkids often.

It is with great sadness that he has passed away. I shall always remember his smile and his love of LaRayne and his family. May he rest in peace.

A friend always
