

## Morgan Kay Harris

May 23, 1995 - February 18, 2023

Morgan Kay Rowley was born at home in Cedar City, Ut. to Laurice Critchlow-Williamson and Roger Bryce Rowley on May 23rd, 1995. She left this life with her beloved dog, Huck on Feb. 18th, 2023.

Morgan grew up in Cedar City, Ut. where she did well in school, danced, played volleyball, played piano and enjoyed reading, ceramics, and baking. She was a professional model for a couple of years. She became disenchanted with the pressure to remain very thin by people in the industry. She married Cody Harris in 2013. They moved to New Orleans, LA while he was in the military. While married, she enjoyed redecorating their home and doing sewing and craft projects. She really wanted to be a mom, but was never able to carry a full term baby. After many fertility treatments and miscarriages, she re-focused her love and energy on their dogs and her nieces and nephews. She built a close relationship with her mother-in-law, Jamie DeMille, who has also passed. She divorced after moving to Ogden, Ut.. She became a medical assistant and enjoyed helping with medical research trials.

Morgan spent the rest of her life in northern Utah with her dog Huck. She spent a lot of time with her sisters and made time for her nieces and nephews. Morgan is described as shy and the most gentle, kind, peace-making soul by everyone who knew her. She was artistic, liked to be informed on current

issues, thought deeply and conversed about many subjects.

She is preceded in death by Janice Rowley (grandmother), Roger Rowley (grandfather).

She is survived by her parents, Laurice Williamson and Bryce Rowley, siblings; Cierra Rowley, Angele' Rowley, River Rowley, Melo Egerton and Isaiah Egerton, grandparents; Marlane Kesler and Paul Critchlow.

A Celebration of Life will be held Saturday, March 4th at 11:00 am at Serenity Funeral Home in St. George, Ut. 1316 S. 400 E. #A5.

The family would like to thank everyone who has donated and sent condolences, as well as Detective Gruendell who has been working diligently to make sure our beloved Morgan at least gets justice.

*I didn't know your daughter but I am really really sad this happened to her and your family..as a mother I know the devastation you are feeling and I really pray for you to have the amount of peace, courage and strength, that is possible in this situation, to help get you through this time. May God bless you with this. She was so beautiful and would make any mother so proud.*

*To her family and close friends,*

*May every sunrise hold more promise, every moon rise hold more peace. They say love beyond the world cannot be separated by it. Death cannot kill what never dies. I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make.*

*Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. Wishing you peace to bring comfort, courage to face the days ahead and loving memories to forever hold in your hearts.*

*May you be comforted by the outpouring of love surrounding you. My thoughts and prayers are with you and your family during this very difficult time. 🕊*
