“ *I knew Nadine as Glennell, I was her visiting teacher in Ukiah, CA many years ago. Glennell was always someone I looked up to. To me, she was the epitome of the perfect person. She possessed every skill I wish I had. She took the time to teach me how to do stained glass. She made it possible for me to use that skill to make several pieces for my family members.*

*Glennell was always kind and genuinely interested in others. It's been a few years since I last saw her but she will always occupy a special place in my heart. I'm grateful for her influence in my life! How lovely it is to know this sweet lady is happy, with family once again and at peace. Love you Glennell!*
