

## Nancy Ann Perry

November 27, 1934 - July 2, 2021

Nancy Ann Perry passed peacefully on Friday, July 2, 2021 at the age of 86, in Ogden UT. She was born on November 27, 1934 in South Mills, North Carolina to parents Edith and Lloyd Sawyer. Lloyd met Edith in England while in the Navy. He then was stationed in North Fork, Virginia where Nancy grew up. She ended up in Ogden Utah where she graduated with a nursing degree at Weber State University in 1986. She retired from nursing in 2005 and resided in Saint George, Utah to be close to her lifelong friend Joanne Baker. Nancy converted to the LDS church in 1970 and served many callings. Nancy's many interests include a life time love of animals especially her dog Ginger and her Arabian horse Smokey, also her latest companion her cat Tiger. She loved to go horseback riding, donating to animal sanctuaries, quilting, playing the piano, violin, and bingo. Nancy had many friends and loved talking on the phone. She was known for cruising around town in her Lincoln Towncar. She has a big sweet tooth and her favorite color was pink. Her birthstone was citrine which makes sense because she had a heart of gold. She will be missed dearly. Nancy is survived by her children Dana and David Tapper. Her grandchildren Jennifer Sawyer and Tosha Tapper. Her great grandchildren Ava and Caden.

“ I was Nancy's caregiver with Senior Helpers for over a year. I would visit with her and help her with her personal needs and be a companion to her several times a week. I have a sweet voicemail from her from May 2021 that I hold dear because I love to hear her voice and miss her. She was a light and even almost 4 years later I can still picture her apartment clearly and spending hours sitting with her and her sweet cat, Tiger, chatting and sharing our life story with one another. I hope her family is doing well.

“ My elderly mom, Dorothy Lightfoot, was Nancy's neighbor for 10 years from the time we moved to St. George until she passed away. Nancy was so good to my mom. She was there with her nursing skills when needed, but more important she became a close friend. They spent many hours playing cards and visiting. I also knew that mom was looked after if I wasn't around and with just a phone call Nancy would check on her. For that I'm eternally grateful. RIP Nancy. Hugs to your family.
