“ *Mardell's son Brad is married to our daughter Kohnie. We've known and loved Mardell for many years, and definitely consider him part of our family. Mardell is a great person, always one to show love and kindness. His legacy will live on through his wonderful family. We enjoyed the times we were together and could catch up on his active life. Catching up to him is an under statement, simply because he had such an ambition spirit and soul. His joy in staying healthy, keeping active, living the gospel, supporting family events, loving and adoring his family only mention a few of his super attributes. Oh how we love and admire Mardell along with his family. We will cherish the sweet memories we have of him forever and look forward to a reunion again in the sweet by and by. Sending love and sympathy to each of you for the temporary loss of this dear man. Lovingly, Val and Kathy King*
