She loved the outdoors and was active in fishing, camping, and hunting in her early years and loved to travel, go on scenic rides, and appreciated God's creations; both in living creatures and in the wonders of His landscapes.

“ Paul and family. We are grateful for having known Nolleen through the years since you have been in Hurricane and on our street. We remember playing games, enjoying a neighborhood party, seeing you walk, seeing and visiting with you at church, etc. Nolleen will be missed but she will be greeted by others who will love her and keep her until we all meet again. She was a good friend to all who knew her.
