“ Rosemary, we are both so sorry to hear of Norbert's passing. We were talking about you two the other day. We are coming to Mesquite tomorrow, Feb. 10 to spend a couple of nights. When we were there earlier we looked for you in the Eureka and when we didn't see you we made a note to let you know when we were going to be there again. I know your heart is broken and you feel lost. I wish I could help you but I believe only time will help ease your pain and I hope the knowledge that friends are holding you in our thoughts will also help.

Blessings and Love to you and all of your family.

“ *As a long time friend, we have so many wonderful memories. Sitting in my parents front yard so many years ago, playing games. going to the Morton Arboretum, playing cards and dominois, eating meals together.
