

Norman L Clemens

February 19, 1944 - November 3, 2018

Norman "Norm" L. Clemens passed away peacefully on November 3, 2018 surrounded by his family. He was born February 19, 1944 in Oakland, CA to Norman and Dovey Clemens. The second of 5 children, Norm grew up in California.

After graduating High School, Norm joined the USAF and served 6 years as an Air Rescue Paramedic. He treasured spending time with his grandchildren; especially attending art shows with his granddaughter and watching his grandson play baseball. Norm took great pride in the cabin he built in Kolob and spent every possible moment there with friends and family.

Norm is survived by his wife of 47 years, Jeannette Clemens; his son and daughter-in-law Tim and Sherri Clemens; and his two grandchildren, Haleigh and Spencer Clemens.

“ Dear Clemens Family,
Back in the day your wonderful Husband, Father, and Grandfather "worked" with my Father, Dick Miles @ Century 21. I met Norm a couple of times visiting w/my Dad in the office and being a couple of like-minded souls I could see they had become buddies. They obviously shared the same work ethic as they were diligent in taking care of their clients. I know that my Dad was his own best client as he never found a piece of real estate that didn't make his heart flutter with possibilities and I suspect that Norm had that condition as well as they actually joint ventured a couple of properties.

I pray that you will bask in your memories of this good man!

“ Jeannette & Tim: We've lost a great "watch-dog" of our neighborhood. I will miss the many curb-side visits with Norm as he drove up the street and never failed to stop and see how things were going. May God Bless in your needs at this time of mourning.

“ Family of Norm, rest in peace cousin. So sorry that we didn't visit more after the Clemens family reunions were no more. It seems like everyone went there own way. Will always remember you being at my Mothers (your Aunt Lila Cheser) in Lusk, Wyoming. Many years ago. Take care Famil y, treasure all your memories as we will also. God Bless.

“ We are sorry for your loss but we know that Roy and Norm are probably building a cabin right next to each other now! What a great man. We will truly miss seeing him at the cabin and stopping by for a chat on a four wheeler ride. We will miss his laugh! Hope you all can find some peace and comfort at this time. Love you!
