“ Norm's passing came as a complete shock. The last time I saw him he was at the entrance gate at Snow(?) Canyon. We looked at each other and recognized each other and I said, "How much do I need to pay to go through the canyon?" He said, "You don't pay anything!" It was then that I noticed his big motorcycle. He said he drove it a lot and loved every minute of it. Typical Norm!! The memories keep flooding back of our days in the Murray 19th ward and the many things he did to keep the work of the Lord moving along. We, the Blaine St. neighbors, started out as young couples and we had lots of parties and get-togethers that I will never forget. I have a cute memory of David as a little boy singing his heart out for Elgia Ogden in Jr. Sunday School! Yes, Norm was a great guy, funny, often outspoken, but never unkind. Not many of us left now. How quickly time flies. My love to Joyce, Linnae, and Dave.

“ I am saddened to learn of Norm's passing. He was a wonderful person! I met Norm through my dad who worked with Joyce at Hercules's Navy office. We crossed paths many times at Bear Lake while we were building our cabin and Norm was upgrading theirs. I will always remember the day when we were framing in the bitter cold of an early winter. Norm and Joyce invited us over for some hot chili to thaw us out. This was one of many examples of Norm and Joyce's kindness and friendship.

*Norm was instrumental behind the scenes on the board of directors of Bear Lake West homeowners association, helping to get the homeowners rights protected when the developer filed for bankruptcy. He never lost his humor through it all.*

*I will always be thankful for Norm's friendship and will keep him and Joyce and the extended family in our thoughts and prayers. May God bless you all and greet Norm with the same warmth Norm showed so many on this earth.*

“ We rode with Norm with the Temple Riders Association many times. We feel blessed to be able to call Norm our friend, his sense of humor will be missed. Who else will tell us it is "time to put the feed bag on"? Our thoughts and prayers are with Joyce and his family at this time.

“ We love Norm and enjoyed the times he rode with us as the Cache Valley Chapter of the TRA and also the time we spent with him at the TRA rallies. We so enjoyed his wit, his humor and his friendship. We were saddened when he sold his place in Bear Lake, knowing he wouldn't be riding with our chapter anymore. We are saddened to know he will not be there at the rallies. May the Lord bring wonderful memories and comfort in your loss of a great guy!
