“ It has been an honor and pleasure to have been able to know and share a part of Norm's life. I miss the playing golf and having him beat me no matter if he played left or right handed. I'll always remember the times we went out with Kathy and Norm or for a home cooked meal and drinks. Always remembered and missed.

“ My dad had myself and my friend Tammy Upchurch in his Cadillac convertible and we were cruising Sherman and sitting on the back of the car waving at everyone. Some guys stopped at the light next to us and said hey pops let the girls come with us, my dad peeled out on the green light and kicked their butts, we were all laughing and was so fun. I will miss my dad so much. I know he's in a better place and I will see him again someday.
