“ I also went to school with Norm from the 2nd grade thru High School. We lived a block apart and I knew his brothers Billy and Tom and his two sisters, Peggy and Polly. Norm and I both loved art and he was a great artist. I remember playing foot ball in the street out side his home and basketball in his driveway. Fond memories of growing up in Ogden with the Smith Family. My love goes to his family. (In the photo that Melanie posted, I am standing in front of our Teacher.)

“ *Norm and I went to school together beginning 2nd Grade all the way through high school. He was simply a great guy! I remember him fondly as being handsome and shy, always well mannered, respectful and liked by everyone. The Class of '65 will greatly miss our Norm.. I'm pretty sure I had a crush on him in 2nd Grade.... all the little girls did.*

I met Norm at Mount Fort Jr. High. I remember so well the passing of his brother Bill. Norm was always very nice to everyone. Sorry for your loss. I didn't know that Peggy was Norms sister. Small world.
