

## Patricia "Patsy" Hansen Lamb

August 8, 1945 - January 27, 2026

Patricia (Patsy) Joan Hansen Lamb was born in Calgary, Alberta, Canada August 8, 1945, to Leslie N. and Margaret LeBaron Hansen. She passed away peacefully at home on January 27, 2026.

Patsy lived with her family in Calgary and Cardston, Alberta, until her mother passed away. Their dad found it impossible to care for his two youngest daughters properly, so he took Patsy and her sister, Judie, to Hurricane, Utah, to live with their oldest sister, Thelma, and her husband, Roland, when Patsy was eight and Judie was 12. That was a great blessing. Patsy was the youngest of five daughters, Thelma, Jalaine, Lorna, and Judie. Even though her mother was taken from her early in life, she was blessed with a great deal of love and mothering from her older sisters and other friends and relatives.

Patsy graduated from Hurricane High School in 1963 and Dixie Junior College in 1965. She married Thomas B. Lamb in the St. George Utah Temple on June 30, 1978. Patsy had three children from a previous marriage: Gregory, Michael, and Laura. Lucinda (Cindy) Jane was born one year after their marriage and was a sweet addition to their young, active family.

Tom and Patsy were busy and served in many callings in the Church of Jesus Christ of Latter-day Saints. Patsy supported Tom as he served as bishop and stake president, and later they served together as directors of the Southern Utah Public Affairs Council for 11 years. That was one of Patsy's favorite callings in the church, along with teaching the youth in Sunday School for six years and serving in the St. George Temple. A special thank you to all her Sunday School "kids" for their tribute letters. They meant the world to her.

God, family, and friends are what made life worthwhile for Patsy. She was a dedicated mother. Each baby she was able to bring to this earth was a miracle. All she ever wanted was to be a mother. She adores her grandchildren and great-grandchildren and thanks her children for each gift. She has so much love for her husband of 47 years and knows that it was a tender mercy from God that they met, married, and raised their family together.

Patsy is preceded in death by her mother and father, sisters: Thelma (Roland) Hall and Lorna (Elmer) Giggey. She is survived by her loving husband, Tom, and children: Cindy (Ryan) Hatch (Clay (Sasha), Liv, and Lily Jane) of St. George, Utah; Laura (Bryan) Walker (Taylor, Tanner, Blake, and Lila) of Pleasant Grove, Utah; Michael (Elona) Van Wagenen (Simon), Albuquerque, New Mexico; granddaughter Sjandi (Michael) Marshall (Zoey and Miles), Macungie, Pennsylvania; siblings: Jalaine Hansen, Draper, Utah; Judie (Ed) Brailsford-Marcucci, Aurora, Colorado; Glenda (Ron) Crapo, Draper, Utah; stepmother, Rawlene Hansen, and brother Mathew Hansen, Washington, Utah, and many beloved nieces and nephews, in addition to "forever friends," and they know who they are.

Patsy has a living testimony of her Heavenly Father, Savior, Jesus Christ, and the Holy Ghost.

She is so grateful to her sweetheart, Tom, and Cindy, Ryan, and Lily Hatch for their devoted love and care. She is grateful for Robyn Packer for her continued love and watchful care over our family. She thanks Jennifer Ricketts, Kurtis Larson, Todd May, Kent and Lynne Perkins, Brad and Gay Newby, Linda Neumann, Debbie Huckstep, and all her loving neighbors for their kindness and support. Patsy and her family will be forever grateful to Dixie Hospice and Patsy's devoted nurse, Dabrei.

Patsy put on countless events in her lifetime - dinners, parties, concerts, conferences, reunions, lessons, talks, fund raisers, political rallies, road shows, and other theatrical productions. She was blessed with loving community, church, and family support for everything she did. She loved and lived life to the fullest, and she felt the loving support of her family and friends one hundredfold. With that said, Patsy feels she would like to break tradition and let her family find quiet closure with her passing. There will be no public viewing or service. Thank you for your kindness, love, and understanding.

Patsy spent her life serving and thinking of others. In lieu of flowers, please do a kind act of service in Patsy's honor.

“ I've known Patsy since the 60s when my widowed mom and her widower dad dated. I always really liked her. She treated me like a little sister. We were fortunate me to have Tom and Patsy and their 3 children for neighbors in the 80s til we moved in the 90s. I love Patsy and all of her family.. we did a lot of fun things together (garage sales) crafts and exchanging food! We still have beautiful quilts made by her! Our heart aches for you but pray that you will have peace and that her wonderful memory will bring you great joy!

“ As a classmate of the HHS class of 1963, I can remember Patsy as a beautiful, funny, caring, intelligent, and talented girl who was always ready to help / volunteer for anything that needed to be done. As a class, we were supportive of one another, had fun throughout high school and celebrated classmate successes. Patsy was always there doing her part by helping organize last minute street dances, participating in all night water fights with the other classes on H day, helping collect and selling deer hides as a fundraiser for our harvest ball queen, cheering on classmates as they participated in sports, club or life's events, decorating for Jr. Prom, and by just being a good friend to everyone. Her influence continued after graduation. She joined others in keeping information flowing by helping to report on classmate successes as well as any heartbreaking news.

*To her family, losing someone so dear is heartbreaking but with having the knowledge of where she is at, it brings peace envisioning the grand reunion with family, friends, and loved ones and knowing that she no longer is suffering. I send my sincerest sympathy and my warmest hugs to each of you.*

“ We were fortunate to meet Tom and Patsy in 1995 on a tour to Israel. Patsy was the gospel in motion. I came to know her and continued our friendship long past Israel. My life was enriched and was the recipient of her many acts of kindness and service. I had the privilege of teaching her granddaughter violin for a short period. I was so amazed at the love she had for her family. Her facebook posts were a true reflection of her desire to spread the gospel and cheer to others. My heart broke when I heard the news of Patsy's departure. May Tom and his family heal and find peace. I thank the Lord for having been made a better person by this sister and her family. Love to all of you and Tom we feel the same way about you. Love Don & Linda Davis

“ To know Patsy and Tom is to love them! Patsy’s positivity, smile, empathy, talent, faith in Jesus Christ, intelligence and endless kindness blessed countless individuals. Her shining example has inspired our lives. Patsy made everything beautiful. Now her presence in Heaven is adding to the beauty there. I remember her kind service when I was ill and she brought me the best chicken soup I had ever eaten in my entire life. Her secret ingredient was definitely love! Another unforgettable Patsy signature holiday kindness was when she wrapped an entire watermelon in cello wrap for Brad for Fathers’ Day. She made everything look so pretty. Her beautiful printed messages of inspiration were always meant to encourage our faith. And always so appreciated. Patsy will be remembered for her loving kindness and when I see a roll of cello wrap it will be like a getting a smile from Patsy.
