

Patricia Lee Peacock

July 19, 1949 - February 15, 2021

Patricia “Patty” Lee (Ryan) Peacock, 71, reunited with long-lost family, friends, & her dog Freckles on February 15th 2021. She was born July 19th 1949 in Rochester, MN, to Mary (Moriarty) Ryan & Frank Ryan.

She grew up in Plainview, MN, where she attended High School & developed life-long friendships (Lou Fritz, Alyce Tidball, Jean Trefethen, & many others).

Patty moved to Ogden, UT in the 70’s & met her husband Robin “Ross” Peacock at the Shooting Star Saloon; they later married at a drive-through wedding chapel in Elko, NV on August 24th, 1979.

She graduated from Weber State with a degree in Psychology & settled down in the Ogden area, where they raised 3 daughters & one son, before retiring to St. George, UT.

Patty worked at The Sheltered Workshop, Project Turn, & had a long-standing career at the I.R.S. performing many duties, including volunteering with the Federally Employed Women (FEW), Federal Union, & etc. Patty volunteered formally & informally throughout her life, she was always gracious & giving of her time. She was a true friend & feisty advocate.

All of her children agree, mom set the motherhood bar high, in-short, she was

magic. Mom was always planning activities & adventures, with an unparalleled energy & excitement for life. When her grandkids came along, the adventures became even more magnificent. “Grandma Pat,” was the Peter Pan of Grandmas; whisking the “grandbabies” away on adventures from the crack of dawn, until the last grandchild was so exhausted even the excitement couldn’t keep them awake any longer.

She is survived by her husband, Ross Peacock; children Robin (Brandon) Jones, Hooper, UT, Jennifer Christy, St. George, UT, Ryan (Tony) Peacock-Roest, Pleasant View, UT, Michael (Jennifer) Peacock, St. George, UT; sisters “Kate” (George) Colbenson, Grand Meadow, MN, Rebecca Ryan, Cannon Falls, MN; brother Scott Andrews, Ogden, UT; sweet friend Nancy “Sparky” McDonough; beloved nieces & nephews; & her favorite people in the world—the grand (great-grand) kids: Taylor, Tycen, Trevyn, Traycen, Gus, Kailey, Quinn, Peyton, Rossi, Skyler, Lexi, Maddie, Jessie, Tyler, Jett, & Blair. She was preceded by her parents Mary, & Frank; sisters Sharon “Sherry,” & Mary Ellen; brother Lawrence “Larry,” her partner-in-crime Judy Palmer; & one lucky grandbaby that gets all the snuggles.

The family would like to thank Intermountain Hospice, & the wonderful nurses & doctors that helped along the way.

Formal services will not be held, however, Patty wants everyone to get together at some point & have a party in her memory. Until then, have a White Russian or a beer at the Shooting Star, & sing “Mercedes Benz” like no one is listening, & cheers to them if they are.

“ I wanted to send along my condolences to Patricia's family. I found Patricia's name attached to a record for John Willis Moriarty, her ancestor. I have never seen a picture of John and appreciate the posting by Patricia. We are related, but due to some problems, I guess, going back many decades we have lost contact between the families.. This same John Willis Moriarty would be a great uncle for me. James Eugene Moriarty, Saint Paul, Minnesota

“ I’ve never felt so loved by someone who wasn’t family as I did when Patti became my friend. We had so much fun. She was extremely intelligent, loyal, loving, funny, adventurous, mischievous, and giving. Patti and Ross treated Ray and I like family. They were there when Ray died. They held me up when I couldn’t stand on my own. She doesn’t leave a hole in my heart, she was my heart. Patti expected so little out of life, because she only knew how to give. Knowing her was a privilege that I will forever appreciate.

“ Pat and I were always getting in some kind of trouble. She file a grevanceonce at IRS and asked if I would do it for her so I told her yes. But I told her that I was asking that she be fix by them giving her a manager job. We laughed about it .it was never going g to happen. That when we both learned be careful what you ask for you just may get it. Love you all Peacock Family .

“ I first met Pat when she needed day care for her oldest girl, Robin. Every day she would bring Robin to my house and drop her off and Robin would cry. At noon she would come to feed Robin her lunch and then leave AND Robin would cry. I finally told Pat that it would be easier for me if she just dropped her off in the morning and let ME feed her lunch. I tended both Robin and Jenny but ended my day care when Ryan was born. Pat was as sharp as a pistol. I was amazed at the depth of her knowledge when it came to social services. I will never forget her.

“ I worked with Pat at IRS for many years, we had lunch together for probably 8 or 10 of those years. She was always telling us stories of her life, I loved the one about the cat, her car, and the freeway ride. Oh and the snake in the bag in the car.....WOW.

She was a light, that shown brightly on some very dark days for me. When she was a manager in code and edit, I was the training coordinator, there were some “difficult “ managers there at that time. Often my manager would get a call, she would say Donna, Pat has some training questions at her desk. I would go to her, she’d smile and say sit you need a break, 30 minutes to an hour later I would go back to work, both of us recharged.

She was always helping, employees, managers, coworkers with issues work related or not. She was my friend and she will be missed.
