

## Patsy June Romprey

June 5, 1942 - October 22, 2024

Pat Romprey, 82, passed away on October 22, 2024, at her home. Pat married Wayne Romprey, the love of her life, on December 31, 1967. It was love at first sight. They shared 57 happy years together and had a total of 8 children, 5 of which were together: Wayne, Darlene, Renee, Rick, and Luan. Pat was a devoted Wife and Mother, Grandmother of 14, Great Grandmother of 15, and friend.

Pat was a loving and thoughtful person. She spread joy to those who were fortunate enough to know her and was generous and giving. Not only was she devoted to her own children-but so many kids called her mom. She enjoyed participating in volunteer work for her community, gardening, playing bingo with friends, but most of all she loved spending time with her family and friends. Pat had an uncanny ability to know when someone needed to hear “I love you” and always made time to do so. Pat had plenty of love to give to anyone who needed it and was not selfish or stingy with her affections. She was loved dearly and will be missed.

A Celebration of Life will be held at Serenity Funeral Home located at 1316 S. 400 E. #A5, St. George, UT 84790 on Saturday, October 26 at 11:00 a.m. Her body will be laid to rest in Gunlock Cemetery.

“ To all of the family of this wonderful woman. She took me into her heart and into her home. She always showed me love and concern. She checked in on me often to see how I was doing, she even checked to see how I was doing after the loss of my own son. I very much enjoyed helping her look for roses, her Joseph coat Rose was one of her most favorite and we had such a fun time picking it out together. She made the most wonderful Jam, homemade bread, she help me make Christmas stockings after I was injured. I could share with her things that I couldn't share with others. She was very confidential and loving. My heart goes out to her and her wonderful family. I just recently found out that she had passed away. Last I spoke to her was October 19, 2024. This comes as a shock to me. I love her so very much, and I will treasure the moments we shared together and the many visits. Give my son Jacob a hug for me as you now Journey on the other side with each other ❤️  
With all my love, love Nekar
