“ *Paula was and will be forever the light in my heart. We had so much in common and shared that through many long phone conversations about our children, movies we saw together, our favorite music, sewing quilts and dresses for our girls. We both loved to discuss our beliefs in the church of Jesus Christ of Latter-Day Saints. She loved her family and fought hard to live just one more day. Rest in peace my dear friend.*

*Love you forever,
Pauleen*
