

Peninnah Angela Prince

June 18, 2024 - August 13, 2024

Peninnah “Penny” Angela Prince passed away peacefully at home in the arms of her loving parents on August 13, 2024. Born on June 18, 2024, Penny brought immense happiness and love to her family during her brief 56 days on Earth. Though her life was short, she touched the lives of many.

Penny is the precious daughter of McKay and Samantha Prince, and sister to her loving brother, Oliver. She is celebrated by paternal grandparents Darren and Angela Prince and maternal grandparents Patricia Clark and Samuel Lewis. She is preceded in death by her maternal great-grandmother Patricia Angela Hazelgreen, who is now holding her gently in heaven. She is celebrated by her great grandfather Henry Hazelgreen and loved by multiple aunts, uncles, and extended relatives from both sides her family.

Penny suffered from a genetic disorder causing severe seizures and neurological impairment. She succumbed to the symptoms quickly and did not suffer long. Penny is a shining example of persistence through adversity; a common note from the medical teams that visited and watched over Peninnah is her gentle spirit and the presence she exuded.

“With the passing of our daughter, the pain will never truly go away. Yet our lives will be more full of depth. We will celebrate her passing by raising a family that will come back to be with her.” -McKay Prince

A viewing and memorial service will be held on Saturday, August 17th at 2pm at the West chapel of the Church of Jesus Christ of Latter Day Saints at 70 South 300 West in La Verkin, Utah. Interment will be held at La Verkin Cemetery. Services will also be live streamed.
