

Phyllis Elaine Williams Crockett

June 12, 1942 - August 31, 2018

Phyllis Elaine Williams Crockett passed peacefully through the veil on August 31, 2018. She was born June 12, 1942 to Charles and Beatrice Williams in New York.

As a child, she learned to love the beautiful outdoors, animals, and waffles and ice cream. Those loves stayed with her throughout her life.

When she was 3, her family moved to Phoenix, AZ, where she grew up and got married and had 3 children, Steve, Terri and Mike.

She's been married to Joe, the love of her life, for nearly 40 years. She always said that the years she has been married to Joe have been the best years of her life, and she is grateful she gets to spend eternity with him.

Phyllis loved reading (especially on the porch), tending her flower garden, baking, playing cards and spending time with her grandchildren.

She is survived (and missed) by her husband, Joseph, her children, Steve (Cheryle) Brown of Sequim, WA, Terri (Denny) Kimball of Buckeye, AZ, and Mike (Heather) Crockett of Toquerville, UT, 11 grandchildren, 5 great grandchildren, her sister, Marilyn (Bryan) Bents of Glendale, AZ, and many friends.

A viewing will be held in the LDS Church at 70 S 300 W, La Verkin, UT
Thursday, September 6, 2018 at 9:30 am, with a funeral to follow at 11 am.

“ I loved working with Phyllis in the ward library. We became very close friends. I loved our recent visit. She was always outgoing and had such a sweet smile and personality. She will be missed. My prayers are with the family. Posted by Muriel Newson.

“ Phyllis, I wish you were here so that when I say "Remember when..." I can actually see your smile and hear your laugh. I just want to tell you how much I miss you. When I count my blessings our friendship is at the top of the list.

Love you always,
Carolynn Brown
