

Ralph Thomas Brandt

February 3, 1955 - May 20, 2024

R. Thomas Brandt was born February 3, 1955, in Heber City, Utah to Ralph T. Brandt and Belva E. Webster. He died on May 20, 2024, in St. George, Utah.

Throughout his life he was a faithful member of The Church of Jesus Christ of Latter-Day Saints through which he achieved his eagle scout award, served a mission to Mississippi, and held many cherished callings and responsibilities.

In 1978, Dad married Shanna Redd, later divorcing in 1985. After a few years of being on his own, some friends invited Dad to attend a square-dancing event where he met and fell for the true love of his life, Irene R. Jones. They married on March 18 th , 1988, in Midway, UT. Irene brought three older children, as well as the first of many grandchildren to our family. The two of them built a life full of genealogical research, gardening, canning, card games, and spending time with this ever-growing family.

He is survived by his crew of Bethany Brandt, Jami Wright (Fiancé, Steve), Taylor Brandt, R.

Dan (DeeAnn) Phillips, Dave (Trina) Phillips and Darla Schulz. Also survived by fifteen

grandchildren, twelve great-grandchildren, and one great-great grandchild. Tom was preceded in death by his parents, Ralph T. Brandt and Belva W. Brandt, sister Delores

B. Millet, Brother-in-law Lawson E. Millett, and his beloved Irene Jones Brandt.

Funeral services will be held privately by the family, but all thoughts and prayers are appreciated.

The family would also like to thank the staff at Red Cliffs Rehab for taking care of our dad for the last few years.

In lieu of flowers, please plant something in your garden or flower bed in remembrance of him.

This would mean the world to him and is the best way to show your love and support.

“ Tom was the one shining star in my life while I lived in Heber, we were boyfriend and girlfriend in high school! There is one favor I would like to ask if you don't mind. Tom had taken quite a lot of pictures of me while we were on the Heber Creeper and I can't find them anywhere. If there is a chance that are still around I would love to have copies.
