“ Randy was a great friend. We were four wheeling with a group and I crashed. He helped me back to Hurricane where they loaded me into an ambulance. A few of us went to Tuweep together, had a great time. Enjoyed having coffee at McDonalds with him. The Mens coffee at Mt. View Bible Church. He had a lot of questions, hopefully he got the answers. See you in Heaven, Randy

“ Grade school - rubber gun wars and tackle football games near the Oil bulk plant north of the elevators, you were tough to get down. I do remember a broken finger my freshman year in a tackle attempt. High school, more football, shooting baskets and track with you. Numerous basket ball games in Baker, it was usually freezing cold but we would run until the sweat dripped. You and Mike talked me into sharing an off campus trailer at Minot State - great times for your freshman year. The bowling games with you, Dave, Mike, Owen and me. You could make those pins fly. I remember some of the cars you had from the blue convertible to that old sedan that we walked away from after it stalled in the motel parking lot the winter of 71 or 72. I almost forgot about that evening you and Mike rode your bikes to York and talked me into accompanying you guys on a ride to Maddock. It was midnight when my dad picked us up on the way back near Harlow. Mike and I did get to Maddock, you had bike trouble and did not make the full trip. You enjoyed traveling and seeing new places. You were friendly with everyone, easy to talk too. I hope you enjoy your last journey. If you are looking over family and friends feel free to give us a nudge in the fun direction. I will remember our time together, rest in peace my friend.

“ Randy was just the best. We thought of him as family...and he was. He spent so much of his high school years at the Nordhougens. He was David's best friend. I am so happy that my daughter Kristi and I got to see him when we were visiting in ND in 2018. It had been close to 50 years since I saw him last. You will be missed dear Randy ..from all who knew you. Rest in peace my friend.
