“ *RIP, Beckie. Or, rather, be that travel bug and bookworm you've always been! They always gave you such joy.*

Thank you for being a member of our family, loving Campbell and Maddie, and sharing your love of books, movies, Jeopardy, and Star Trek! All lifelong gifts. We were blessed to have you in our, and have missed you in the last many years. You made a big difference!

*We love you!

“ My dear sister you are so greatly missed. I miss you laughter and smile. I know you are now free from the pain and discomfort you have been in and in a much better place. Keep your smile on your face and fill the place with laughter and joy, say hi to dad. I know the Lord is holding you in his arms, and we will be together soon.

“Poke” Angie did it! I’m sorry you have “Fallen and can’t get up” I love you
