“ Rick was my first boss at my first real job. <3 He taught me so much about great customer service and working hard. Rick was so kind to every single person who walked through his door. I have such fond memories of working long days during the holiday rush, stopping only to grab a bite and get back to our customers. He and Bobbie truly made me feel like family. <3 <3 <3

So much love,
Joey (Joanna)

I love this picture of the three of them, thanks Kathy for sharing. Rick you will be missed greatly. You were constantly teasing me. Now you are with Jim and the two of you can play jokes on each other like you have always loved to do. I miss you sweet cousin, you will always have a special place in my heart.
