Please know of our love. We unfortunately do not see each other much anymore and the years swiftly pass by, but you are in our thoughts and our memories together as cousins playing with one another will never be forgotten.

“ Sorry to hear about Bob. We spent a lot of time together when we were younger. We always had fun unless Grandma Hunt was after us for something we had done and shouldn't have. I will always have fond memories of those times with Bob and the rest of you. Know we love you all even though time and circumstances have separated us.
