

Robert Lee Sather

February 27, 1944 - January 15, 2022

Robert Lee Sather, aka Bobby was taken by the hand of our precious Heavenly Father and welcomed home on January 15, 2022. He passed away at his home with his eternal companion Annie faithfully by his side. Bobby was born to Robert Rown Sather and Bonnie Lee Ross Sather on February 27, 1944, in Roosevelt, UT.

Bobby made a friend out of everyone that he met. He was always up for a joke and a good laugh. He knew how to make those around him feel special and welcome. He loved fast cars and motorcycles and won many awards for racing his formula cars. He loved to parachute and fly planes and ended up owning one of his own. He loved the ocean enough to obtain his captains license and deliver boats to many islands in the Pacific Ocean. He and Annie owned a trawler that was parked at Coronado Island that they loved to visit as much as possible. He also loved the mountains and fly fishing the streams. Bobby was basically a jack of all trades and accomplished all that he set out to do in this life. He and his great-grandson Krue had always talked about going fishing together and they accomplished this before he passed with a thumbs up and smiles from ear to ear.

Bobby married the love of his life on January 1, 1994, Ruthann Barker, aka Annie. He and Annie were sealed for time and all eternity on March 23, 1996. They retired and moved to St. George, UT. They later sold their home and went traveling in their motorhome for three years and ended up back in St. George.

Bobby is survived by the love of his life for 29 years, six children; Stephanie (Tim) Mills, Valerie Johnson, Sandra, aka Sammy Brogna, Rodney (Wendy) Anglesey, Natalie (Trent) Bay, and Angela (Travis) Hawkins, seven grandchildren and six great grandchildren. Bobby is preceded in death by his parents, brother Randy Sather, best friend Chuck Marshall, and best friend/brother-in-law Charles Barker.

“ I’ll never forget the first time I met Bobby... he opened the door wide open and said, “come on in”! As he smiled from ear to ear. Every time I came to the door for years he greeted me with the same big & warm smile. He could light a room with his smile!! He always made me feel like I was one of his own kids. I’ll never forget his wisdom and council. One time sticks out when I was going through a tough marriage, he pulled up to me when I was outside and said, “get in! We’re going for ice cream and taking you with us” he was always there for me even through my divorce when most others stopped talking to me. He always let me know he loved me and deserved better. We lost touch when he moved but I never doubted his and Annie’s love for me. I love you Bobby & Annie and you will forever be my family!!
