“*Condolences to Roger's family. We knew each other in Boulder City when we lived on the same street, Avenue H, and I dated his sister Sharon. At that time Roger worked on his car a lot, and confided to me once that he did that so often that his hands got greasy from using the steering wheel. Roger was always very easy going and pleasant to be around. May God Bless and comfort his wife and children and friends at their loss.*

“*Roger, thank you for your tender love and care of Cori Lynn and Victoria, you were such an amazing father and grandpa. Thank you for being committed to keeping them close to our family. Thanks also for being so fun with my mom in your earlier days, yep I've heard the stories. We love you all so much and I will be here for your family forever. :-> Kristen Soderberg (Cindy Dix' daughter)*

“ Roger,  
We will miss you. We enjoyed visiting you years ago when we were your home teachers. Loved visiting about history, family, and your activities. Gloria was always walking, busy with Church. It was a great treat when you tagged along with her to Church, it meant so much to her. It meant you had given up a day of golf! In recent years you both were always in Church. After Gloria’s passing, it was so great to see you there. We know your faith and love for Gloria mean so much to you.  
May you enjoy being with your love and smile often. We love you both!
