“ *My wife Rowena and I visited Ronnie and their wonderful mother Thanksgiving day circa 2000 and shared a feast to cherish forever in substance and spiritially. We rode all the trails around Washington Utah for the beter part of a day along narrow mountain roads bonding with respect and love! I am very saddened and pray for God's love to Rowena, Griff, Linda, Vickym Ronnies many friends and extended family!*

“ I knew Ron from way back in our Kindergarten days, at the old Jefferson School in Springville, Utah. We did a lot of running around together all during our school years, up until the family moved to Fredonia, Arizona. I lost track of him for many years, but I finally found him, and reconnected with him when he was living in Washington, Utah, and his mother was living with him. I loved to go visit them, and I did my best to keep in touch with him, and visit him whenever I got down that way. I last saw him in April of this year, and I could tell that he was not doing well. We kept in touch by phone and text and we were friends on Facebook too. I was much saddened to see that he passed away, and I want to offer my condolences to the extended Earley family and friends.
