“ *Kathi, Ron, Jeff and family, may the Lord provide you the deepest comfort that is only found in Him! Ron is forever in our memories as is the rest of the family. It's hard to imagine that Ron is not here, yet it is so comforting to know with great assurance and confidence we will all in Christ be with him someday. May the Lord provide for you all a understanding and the ability to know the Lord's presence during this time. Only the resurrection of Christ gives us the hope that is an anchor to our soul, because He is our redeemer and deliver from the sting of death. Praise God we will all in Christ be united together. May you know the peace that only He can provide that surpasses all understanding.*

*In His love and grace,*

“ Dear Kathy: Jerry and I send our deepest sympathy to you and your family. We remember the good days spent together at First Baptist Church and later our visit with you when visiting St. George. You and Ron were welcoming and so nice to be with. Ron was a servant first to the Lord Jesus and then as a firefighter and guide to the beautiful Zion National Park. God Bless you Kathy . “ Ron was a man of quiet grace. He showed great strength as he passed through the journey into dementia. I can never think of Ron, standing strong and proud without his beautiful wife supporting him with optimism, love and strength. My condolences to the family.

“ I worked many days with Ron during my years in the Modesto fire department and always enjoyed those times. When I was newly hired and many older captains were not exactly friendly, RD was always friendly and welcoming to new firefighters. He always had a smile and laugh whenever I was around him and I will always remember that. My condolences to the family- Larry Granzella

“ Ron Smith was the one that inspired me to become a firefighter. I grew up with his two sons. His family treated me like their third son, taking me on most of their family outings, camping, waterskiing etc. Later in life I worked with Ron finishing concrete. He had a big influence on my life. I'll miss you "Bud"...

*We feel a great loss in our life. But we will always have the memories of the good times we had traveling together, spending holidays together, 4-wheeling together and just sitting around laughing together. Rog had so many good times 4-wheeling with Ron and sneaking greasy breakfasts together when you had him on a diet. The 5 musketeers (Jan makes 5) had a lot of good times together and Ron will always be with us in memory. Love Ya Rog & Barb*
