“ Each Christmas we get Dewars candy and think of the angel Ruby was. She was smart and kind and a literal life line for our family -her testimony and love of family was so inspiring. Thank you Ruby for being there for our family and next time I'm in St George visiting mom and dad at Tonaquint I'll say hi 🙌 love to your family!

We loved Ruby and Dean! Such wonderful friends to our family. We still think of your mom when we hear about Dewars Chews and anything having to do with Bakersfield! Miss her and happy to know she is close to our mom and dad also buried in Tonaquint!

“ Ruby was a dear friend of mine in Bakersfield 2nd Ward. She was what I considered to be the epitome of LDS womanhood. She was lovely and gracious and truly without guile. We served together in the Relief Society including visiting teacher companion. She was bold and persistent in seeing that every woman was visited and knew they were loved. And they loved her in return. I love like a sister and admire her to the depths of my soul. I'm at peace knowing she and Dean are together.

“ My thoughts and prayers are with you all. Ruby was one of my favorite customers. I looked forward to her amazing lemon bread every Christmas and she made sure I had my own loaf. Monica B.
