“ *Ruth, Stephen, and I were in a college choir together in 1988. Steve and I had been friends for a decade. She helped us realize we were more than just friends.*

She also helped me find my 11th great grandmother for whom I did all the temple work. Such a joyful experience.

I owe you, Dear Ruth. I love you. It's hard to accept that you are no longer here in this mortal realm, but I trust you are safe in our loving Father's arms.
