“ Sending my sympathy to you and Ruth's family. I played bridge at BBC with Ruth for a number of years. She was always gracious and fun, with a great sense of humor. She never complained after she was diagnosed, always put on a smiling face. She will be missed. JoAnn Sufka

“ Ed and family, Phyllis and I send our sincere condolences on your loss, a loss to all of us. Ruth was a very sweet, upbeat lady, a real pleasure to be around. We truly loved to be in her presence at our many group parties, which will always be fondly remembered.

“ *I have wonderful memories of Ruth and Ed both when they would come to visit with family in Dade County where we would all meet. Later as an adult my family stayed with them overnight when they lived in St Louis and our kids were young, that is a time we all remember fondly. Like my father Ruth was a pistol with lots of laughs and personality and those good times are memories that will last.*
