Sallie was just as beautiful inside as she was on the outside. I was 19 working in the shipping department at Buck Knives when I met her. I shared with Paul that I had a crush on her then. Easy to do. She was caring and compassionate and will be missed. Paul...you are in our prayers.

“ I never met Sallie but I do know her husband, Paul, and his description of her really made me wish I had met her. She was his best friend and he seemed to love her more than life itself. It's people like Sallie that, hopefully, redeem the rest of us. God rest her soul.

“ I met Sallie and her son Jeff about 25 years ago at Alpine First Baptist church. She had been teaching the children for many years and Jeff had become a youth minister under her spiritual guidance . I am so thankful for her faithfulness as she brought Jeff and I and her grandchildren Jessica Jeffrey and my daughter Candace close to the teachings of Jesus Christ. We had so much fun as a family serving God at this lil country Baptist church. The children loved Sallie and she always had a full classroom of all ages. As the years have moved along and time has passed on it is the memories of Sallie with her grandchildren Jessica Jeffrey Candace and the peaceful way she always made us feel in this blessed Christian life 🌸 As my mother n law and sister in Christ I will always have love and warm memories of Sallie .
