“ Our condolences, thoughts and prayers go to the Beagley family at this time. Mr. Beagley was my school teacher in the early 2000's. He has taught his final lesson evidently. He need not suffer anymore.

“ Dear Joyce,

I am so sorry to learn of our loss. It has been many years since you and I have seen each other, but Lynn always kept me updated concerning your life. I know you raised a large, wonderful family and that most of your children and grandchildren are near you and will be of great comfort to you during such a difficult time. This past year must have been very challenging, but when you see Allen again, he will be healthy and strong, and there will be great joy and happiness in reuniting with him.

Please know that Julie's and my thoughts and prayers are with you. We would love to have you visit us here in Arizona if you ever feel the need to get away. We would have lots of "old times" to discuss.

Love and best wishes,

Don

“ As many of you know, Al and Joyce took me in when I was young and trying to navigate my way through a difficult situation. They saved my life. Al was the first person to help me realize that I could make something of my life. He gave specific praise when earned and loving correction when needed. I love you all. Al, Joyce and kids. I am grateful to be part of your family!

“ When I was young I got the opportunity to work with Allen at the nursing home he owned. One day I was running late to football practice and Allen volunteered to take me. I had less than 5 minutes to get there or I would run extra for being late. Our house was 10 minutes away. I jumped in his red Corvette and lets just say I didn't have to run. We made it on time. I love you Uncle Allen. Some say we look a lot alike. I take that as a HUGE compliment. You will be missed.

“ Uncle Allen has been an example to many. He was humble in heart and no matter what you were going through he would help if he could. I will miss his laughs and his twinkling eyes. God took home one of the best.
