“ Oh, Sandra, how many times I thought of you and planned to text to find out how you were doing. I'm so sorry, it was always in the middle of the night and too late to text, but I did think of you often. You are a special friend who brought a lot of light, love, and understanding into my life at critical times. Thank you. I know you're happy because you always were and I can imagine you smiling now. We'll watch out for Steve.

“ Dear Steve,
Our hearts are breaking for you at this moment! I can't believe she is really gone! You two are two of the best people we know. We've been so honored to call you friends. We have been and will be out of town with our daughter and will not be able to attend the funeral or visitation. We're so sad about that. We wish more than anything we could be there, but please know that we will be there in spirit. Our hearts and prayers are with you. May God bless and keep you through this extremely difficult trial.
Sincerely,
Kevin and Peggy Rudd

“ We moved to the St. George area the same year Steve and Sandra moved here- we met through The Parade of Homes - Steve and Sandra had us over for dinner and cooked spaghetti using leeks in the sauce - it was incredible! Since that time we have remained friends and have enjoyed Sandra's bright smile and cheerful outlook! She was a shining example and will be sorely missed! We send our thoughts and prayers to Steve and the family.
