“ I had the pleasure and honor to know Sandy when she and Sal lived in Minden, Nevada. We met through our mutual love of quilting. She was such a genuinely nice person you couldn't help but like her. I was sad when she and Sal moved to Utah to be close to family but I understood. She was missed, will be missed and always remembered as the friend I once had. My heart goes out to her family and especially Sal. May you all find peace.

“ I definitely did not have near enough time with Sandy to make lots and lots of memories but the best memory I have of Sandy is moving day from Minden NV. We started early packing and cleaning and filling the Uhaul truck and then having to find and get another truck. Then the dilemma of getting the trucks to David's house in Vegas. I volunteered to help Sandy and Sal drive. We took off the next morning, Sandy and me in one truck and Sal in the other. The whole trip Sandy and I visited and that was the most fun just visiting even if we were both pretty tired. So I'm going to miss my visits with Sandy aka my sister from another mother. Love you Sandy

My dear brother
There are so many wonderful memories to re-call. You and Sandy supported me through my crazy college years when you lived in Vegas. It touches my heart ❤️ that she gave me "The HORSE". It will always remind me of her. I promise to support you through these trying times and beyond. Gen and I will bring you into our "trouble maker" circle because we love you. You know you are always in my prayers 🙏 May the Lord watch over you. Love Marti

“ I have been trying to think of what I can write about Sandy. The first thing I thought of was how she always kept her cool. The memory I have in mind is: the time she wore a quite short dress when we all had dinner at Linda and Kerm's house.

The chair she had been sitting on were like leather and when she went to stand up to leave her legs stuck to her chair and her dress wouldn't go down. She never lost her cool. I will miss you Sandy.
