

Shaun Hall Stout

May 13, 1976 - April 16, 2018

Shaun Hall Stout was born on May 13, 1976 in Cedar City Utah to Jerry and Linda Stout, and passed away on Monday, April 16, 2018 at the young age of 41 from complications from diabetes and the horrible disease of addiction. While Shaun was not defined by this cruel disease, it took its terrible toll on him.

Shaun grew up in Hurricane Utah and attended Hurricane High School and graduated with his friends in 1994. In 2000 Shaun started dating Wendy Halverson and on May 26, 2002 they were blessed with a son, Jordon Stout whom he loved very much. Shaun was the happiest when he was with him; they loved to fish and spend time outdoors together. Shaun met Theresa Mora when he was 16 and later married her on July 15, 2006, they were together on and off for many years.

Shaun was loved by all that knew him. He will always be remembered for his good heart, warm smile, laughter and love, and was quick to share that love with everyone. He was always quick to tell his mom that he was her favorite child. He had many friends and family that loved him dearly. He always made sure to call and wish them happy birthday and never forgot to tell them he loved them.

We are grateful that Shaun was an organ donor and was able to donate his

liver to someone in need.

Shaun is survived by his son, Jordan Stout of St. George UT, his mother, Linda (Lorry) Stratton of Hurricane UT, his father, Jerry Stout of St. George UT, his siblings, Corry (Ashlee) Stout of Hurricane UT and Casey (Heather) Stout of Hurricane UT. He also had two step sisters, Leanne Stratton of Texas and Jenell (Cody) Stratton Lower of South Korea. He also is the uncle to lots of nieces and nephews that loved him dearly.

Shaun's family will be holding a celebration of his life on Saturday, April 28, 2018. There will be a Visitation from 10 -11 am, and a Memorial from 11 - 12 pm at the Church of Jesus Christ of Latter Day Saints located at 155 East 1050 North, Hurricane Utah. His family would like to give special thanks for all the many kind acts of love.

“ I have many memories of Shaun, but my fondest is when my son went fishing for the first time with his son Jordon and caught his first fish and I wasn't even there for I went to get Shaun's wallet that he forgot.. I won't ever forget how excited my son was when Shaun taught him how to fish. Linda and Lorie I am sorry for your lost, but he is in a better place.

“ *You always loved to make me laugh and you did it so well and so easily. This day you came by and wound up taking a short nap. When you woke up, you were pennies richer. I love and miss you daaaahrling. I will remember also when you came over when I was really sick and made me dinner in bed and finding out later that you weren't feeling well that day either. Such a sweet, loyal and fun friend, never will be forgotten.*

As a youngster going to the ball fields I could always expect to see the Stout boys coming out to play with us. You will be missed Shaun. Play ball forever!
