

Sheri Lin Stark

October 21, 1956 - July 6, 2023

Sheri was an amazing person, loving wife, mother, mother-in-law, grandmother and all around woman to everyone in her family and community of friends. She was so strong & courageous in so many ways and truly had a heart of gold. She cared so deeply for the well-being of everyone in her life and was extremely inspirational to so many people. She loved spending time with friends relaxing and talking about everything and just being around people she loved and cared about. Her and Danny (husband) lived a life of adventure and truly loved the outdoors. For many years they traveled throughout the country and participated in bluegrass festivals, as well as attending jams with close friends from all over. They also spent several years “jeeping” in Moab, UT. and camping throughout the Wasatch Front. Sheri and Danny will forever be soulmates even after her recent passing. Sheri will be watching over Danny while she’s away and patiently waiting for him to return to her. She’ll be wearing her “Silver Wings” when he gets there...

Sheri is survived by her loving husband (Danny), her two sons (Dustin & Derek), her daughter in laws (Brooke & Lesette), her many grandchildren (Samara, Kenna, Zoey, Ryker, Aiden, & Torie), her great grandchildren (Manja & Karina), her two brothers (Dee & Tracy), their spouses (Sharron & Suzy), and so many other family members and tons of friends.

Sheri is truly going to be missed by all of us, but we know she will be safe with her mom and dad up there and her beautiful granddaughter Preslie that she never got to meet.

We're really gonna miss your beautiful smile and we really hope Heaven is as amazing as you are! We ALL love you so much!

Danny plans to organize a celebration of life on October 7, 2023 in Beaver Dam, AZ. Please plan on the date and more details will be posted on a later date.

“ Sheri and Danny are two of the many friends in the Utah acoustic music tribe who have added to the richness of my experience there. I appreciated her quiet and efficient work on the IAMA Board all those years ago. Their spirit of service and caring has been inspiration to me. Sending love to Danny and the rest of their clan.

My sincerest condolences to Danny and family. Sherri was a dear friend of mine and even though we didn't see each other much after our lives took their own paths, we could still count on each other for anything. I will miss her dearly. Heaven sure gained a beautiful angel. Love you Sheri.

Danny and Sheri always were together at the Damjam. One day Sheri showed up with a guitar and joined the groups playing, always with that great smile.
