“ I wish there was something that could be said to ease the pain. I remember all my aunts and uncles sitting around our dining room table, and hoping that one day I would be as funny as Aunt Shirley. Her laugh was amazing I tried to imitate it, never could. Aunt Shirley was one of a kind. Sending all my love to you Uncle Ken ❤️❤️❤️

My grandma was the one who could always light up a stormy day and make you smile.She was always very blunt with her opinions and would never let you question her love. Her love is unconditionally and so is my love for her,i miss you. I'll see you again.
