

Skyah Natelle Suwyn

August 8, 2013 - August 1, 2014

Hurricane UT- Skyah Natelle Suwyn passed away unexpectedly on August 1, 2014, in Hurricane, Utah at the age of 11 months. She was born August 8, 2013. In Saint George, Utah.

Skyah is survived by her parents Micah and April Suwyn, and brothers, Asher and Shad of Hurricane, Utah.

Skyah was such a blessing to her family. She had a special relationship with her parents and brothers. She touched everyone who knew her. Skyah had a special way of making anyone who was sad or mad feel better by just touching them or smiling her charming smile. When her brothers cried, she would crawl to them and immediately make them laugh. She seemed to know when she was needed and would go to that person. During the short time she was here, she was able to change lives, perspectives, hearts, and points of view. She will be deeply missed

Skyah loved to climb stairs, viewing them as a challenge to see how fast she could get up them before anyone caught her, and when they did catch her, she would giggle. She also loved to swim, play with balls, dolls and other babies whom she would try to hold and kiss.

Skyah was so loved by her family and others who met her.

“ Dear Suwyn family,

I have been touched by your storey on KSL. As I was reading the article all that could come to mind was a storey that I read, I believe it was in one of the books beyond the veil, there are 4 or 5 books. It has been about 5 years since my brother passed and I turned to those books for comfort and many other books. The storey was about a mother and her son had passed, he passed while she took a nap, she blamed herself. Her son came to her after many years of anquish. Her son explained to her that God had a plan and he had her distracted or tired that day as she never took a nap. The point is that God has a plan, I went through what if what if , but God had a plan and had me doing other things that day, besides checking on my adult brother. I truely hope that you can find peace and comfort , the veil is alot thinner than we think.
I love you, You are a Child of God.
