

Stephen A Bowers

August 30, 1950 - February 17, 2022

Stephen A. Bowers, Esq., age 71, went home to the Lord on 17 February 2022. He was a resident of St. George, Utah. He was born 30 August 1950 in Greensburg, Indiana, where grew up on a farm. He would tell his best stories about growing up as a farm-boy in Indiana. He graduated from John Herron Art Institute, Indiana University in 1972.

He lived in California working in construction, his first love, and he received his law degree from Pepperdine University class of 1990 JD, after which he practiced law for three decades in multiple states. He subsequently moved to St. George, Utah, continuing his law practice. While he was very successful in law, his true passion was art, as clearly demonstrated by his paintings and prolific and humorous sketches, many of which were published.

Stephen was the oldest of six children. He is survived by his two sons, Matthew Bowers and Nathan Bowers (Kimberly); his siblings Dale (Debbie), John (Diane), David (Shawn), Rebecca (James Davis), Rachel (Allen Shelley); many cousins, nieces, nephews, grand nieces and nephews, as well as many devoted friends, who were constantly by his side through his illness.

He is also survived by his faithful and loving canine companion, Wolfie, who will be front and center at Stephen's memorial. He was preceded in death by his loving parents, M. Eileen and Harold E. Bowers and his son Aaron.

He was a devout Christian, a member of Southland Bible Church and a long-standing member of the Dixie Detachment Marine Corps League. His memorial service will be held on 1 March 2022 at 7:00 p.m. at Southland Bible Church, 195 E. Arrowweed Way, Washington, Utah, 84780. We welcome his friends to join us to share their memories and the significance impact that Steve had in their lives.

Family and friends would like to thank the devoted team at St. George Regional Hospital for their care and kindness, as well as the Cremation Center of Southern Utah.

In lieu of flowers, we kindly ask that you make a memorial contribution to Southland Bible Church, or the Dixie Detachment Marine Corps League #1270, at P.O. Box 553, St. George, Utah 84771

“ *Steve’s memorial last week was very fitting, with his characteristic cowboy boots, his dog “Wolfie,” his sketch book, and a slide show of his sketches. Several of us wore our boots in his honor.*

To Steve, anything could substitute for a sketch book, as many friends recalled that he drew cartoons or portraits on the back of receipts, paper cups, or the lid of a take-out box. Nearly every time we went out to eat, Steve would draw our servers’ portrait on a table napkin or cardboard drink coaster, and present it to them – much to their delight.

We had many long discussions about religion and politics (the two things you’re not supposed to talk about, but which influence our lives the most). Three refills of Steve’s unsweetened ice tea was about the time limit for our discussions.
