“ Stephen was beloved by our family. Many years ago when we were visiting in Crescent City, Ca. I was concerned about one of my children and Stephen was so sympathetic and comforted me so much! He really wanted to know what he could do to help. I always remember how much he loved my father, his Uncle Durl . He was the kind of person who made a difference in my life. I want to offer my condolences to his wife, children and grandchildren, and to his sisters and brother. Much love to all of you at this time.

“ Unfortunately, I haven't seen my cousin, Steve in many years, but I will always remember his great smile and wonderfully distinctive laugh! He seemed to always be having a good time when we visited him and his family, whether it was riding dirt bikes in the desert with his brother, Geoff, in the Palm Springs desert area, or playing tag football with friends, or spending time together at the annual Christmas party.

There were great times we spent together on the beach in Poptla, Baja, Mexico, smoking fresh caught fish, which was delicious, and shooting off M80s and a myriad of fireworks that Steve and Geoff somehow acquired, much to everyone's devilish glee, on the shore next to the waves on the beach. Wonderful memories!

I also have never forgotten Steve's kind, consoling words to my mother after the death of my brother, and how much my mother appreciated it.

With deep sadness, I wish to extend my condolences to Steve's siblings; Carolyn, Debra, Melanie, and Geoff, Steve's wife, Debbie, and his four children and nine grandchildren.

He leaves a great legacy for his family.

“ So many fun memories when we were growing up. Weekends in the desert, making forts, traveling across the US in our travel trailer. Putting on talent shows in the camp grounds. Stephan was a cute little brother.

He loved his family, and will be greatly missed by everyone.

I spent many hours riding on the back of Steve's dirt bike in Palm Springs during our teens. He was my favorite guy friend and had such a caring heart. I'm shocked and saddened to read that he's passed away. He will always be a treasured friend. Carrie (Longo) George
