“ I have many memories of my cousin Alan. I couldn't wait to drive to Cedar so I could play with him and Bernell. I remember all the fall wood hauling trips we made together. We would meet on Cedar Mountain and load the trucks up with wood and then had an awesome cookout. Good times with a wonderful family. I will miss you dearly. Fly with the angels Alan.

“ When things were hectic in the office at school, he would come in and with his quiet sense of humor smile and say something kind and things got better. He had a calmness about him I truly appreciated. He loved his family. That came across in almost all of our conversations. He was so proud of his boys. I haven't seen him or his family in a while but their example has blessed my life. I am very grateful for the association I was blessed to have with Alan and his family.

“ Larena, I never knew your husband, but I certainly knew you. I am Mary Olsen from Springdale. I am Alan's age. We would ride the bus together. I remember seeing you fishing with 2 little boys at Mirror Lake on Cedar Mountain. We talked, you said your husband had a job there in the summer. I thought then, lucky you to get to spend your summers on Cedar Mountain. We are related someway, I think through the Crawford line. Larena, I am so sorry for your loss. I pray you will be comforted. God bless you and your family.

I was the elementary counselor in Hurricane for ten years and worked with your wonderful husband! The children and staff looked up to him and had tremendous respect for him. He was an excellent teacher and I really admired him and enjoyed working with him. May God bless and strengthen you during this difficult time!

Larena, I was so saddened to learn of Alan's passing. When I was growing up in Orderville, Utah, we would make monthly trips across Cedar Mountain to the big city of Cedar City. We would stay with cousin Alan, Bernell, and his parents. It was so enjoyable spending that time with him and doing things that young kids do. Those were great days that I still think about from time to time. Please know that you and your family are in my thoughts and prayers.
