

Susan Tippets Moncur

April 15, 1949 - May 16, 2019

Susan Tippets Moncur, 70, passed away peacefully on May 16th, 2019 in St George, Utah due to natural causes. She was born April 15, 1949 in Ogden, Utah to Ray Maurice and Edna Burniece Allen Tippets. Susan always said she wanted to die from TMDB (too many damn birthdays), but unfortunately that was not to be.

Susan married Gary Lynn Moncur on September 6, 1968 in the Salt Lake City LDS Temple. They met on the first day of school at Weber State College in 1967 and quickly became best friends and soul mates. They shared over 50 wonderful years together. Gary and Susan were blessed with three children and four grandchildren. Susan loved them all dearly and missed them terribly when they were apart.

Susan taught school at Farnsworth Elementary School in West Valley City for 27 years. She was most proud of her work with learning-disabled children, teaching many of them to read. She loved them all and they loved her. Her favorite conversation topic was always her school kids.

Susan is survived by her husband Gary, children Michael (Laura), Matthew (Melanie) and special daughter Kristen, grandchildren Ian, Alexa, Samantha and Sean, sisters Karen, Betty, Carlene and brother Paul. She was preceded in death by her parents, four brothers and two sisters.

There will be a family graveside service in the near future at Tonaquint Cemetery in St George. We encourage you to remember Susan by hugging and loving your family. Life is precious and time is short.

“ I loved my Aunt Susan, my grandma's sister (Karen), and I know she loved us too. I remember birthday cards sent from her, Gary and Kristen when my brothers and I were younger; they never missed one. My husband and I went to St George early in our marriage, and I didn't realize she had moved there. I saw her in the Smith's grocery parking lot, but I was too surprised to see her, and unsure of myself, and didn't say hi. I wish that I had, or that I could have attended the funeral today to say my goodbyes, but I will always remember her loving, caring nature. I love you, Aunt Susan!

“ Susan and I worked together for several years at Farnsworth Elementary. I am so glad that I had that time with her. We shared a love for Special Education students.

“ I remember when Susan and I served together in the Relief Society Presidency. Great friends! She was always an example of love and service! She had a special relationship with Kristen and was always loving to her and the rest of her family too. It is too soon to say goodbye. We love you and pray that special memories of Susan will help you until the time when you can be together again!

“ I so miss my sweet sister. I was so excited when they moved to St George. She always had such good words of wisdom. She was excited because she could put decor out on her porch and nobody stole it. We laughed about that. She just called me last week to tell me how beautiful her roses were.
She always loved her peach tree and roses. Their yard and home was always very welcoming to everyone.
We will all miss her wonderful cards that she and her sweet Kristen made for every holiday.
and shared with us all.
Rest in peace sweet Susan. We all love you.
