“ Aunt Suzzanne was a funny, generous, life at the party kind of person. I remember the time at Christmas (maybe I about five or so) and I got this Ken doll with hair gel (not a Barbie 😂) and Wendy had the idea to fix my hair with this hair gel that came with this set, and Aunt Suzzanne I believe it was her idea to make my hair look like Alfalfa from the Little Rascals, and of course I thought it was a horribale idea 😂 But after Wendy was done with my hair, Suzzanne was laughing so hard, it filled the room up. Looking back at just 31 years of knowing her, I have good memories, I love my aunt, and she is very missed. Uncle Jerry, Wendy, Cindy, and Pam, I hope that she still lives on in your hearts. I wish good health and healing. She wouldn't want us to be sad.
