

Sylvia Jean Wood

September 20, 1940 - October 22, 2020

Sylvia Jean Wood passed away in Saint George, Utah on October 22, 2020 due to complications from a fall. Sylvia was born September 20, 1940 in Boise, Idaho to Dr. Al Klotz and Ora Klotz. Sylvia grew up in Boise and had five sisters. She loved going to baseball games and was on the high school tennis team. She graduated from Boise High School.

Sylvia graduated from St. Alphonsus School of Nursing in 1961. She loved being a R.N and worked in several hospitals and doctor's offices. Her last nursing job was as an O.R. nurse at the Hailey hospital.

Sylvia married Emer Wood on August 10, 1961 in the Logan LDS Temple. They were married for 52 years, until Emer died in 2014. She is survived by two sisters, Sandra LaBossier and Jerrie VanHouten, and four children: Pam (Dave) Larsen, Ogden, Utah; Cindy (Dustin) Farris, Euleless, Texas; Dan (Lynda) Wood, Twin Falls, Idaho; and David (Amy) Wood, Poplar Bluff, Missouri.

Sylvia and Emer lived in Boise until 1975. They moved to Washington state for a couple of years until they settled with their family in Hailey, Idaho in 1978.

Sylvia instilled in all four of her children the importance of education. She was very proud of all her children's educational achievements. She loved to tell everyone she met how she raised a lawyer, teacher, dentist and doctor.

Shortly before her husband's death in 2014, they relocated to St George. She is survived by her four children, 15 grand-children and three great-grand-children.

Due to COVID-19, no services will be held at this time. A graveside service will be held at a later date at the Hailey, Idaho cemetery, where her remains will be buried next to her husband.

In lieu of flowers, please donate to the St Jude Medical Center in Sylvania's name. Friends and family are invited to share tributes online at www.SerenityStG.com

“ Sylvia was my mother in law. She was always kind to me and in her later years called me Big Boy. She and Emer took us on a fun trip to Mazatlan and they allowed us to use their time share to visit Hawaii. She was a very smart lady and liked to watch crime shows and read mystery novels. She also loved dogs and our dog was always very excited when "Grandma" came to visit. I will miss her.

CF

My mom was an intelligent lady who knew the importance of education. She was a nurse in her younger years and was very knowledgeable on health related issues. She always kept a clean home and made roast beef dinner every Sunday. I learned many things from my mom. I liked to hear my mom laugh. I'm thankful that she was my mom and I will miss her.
