January 19, 1982 - January 4, 2023

Tausha Shaunell Earl Haight of Enoch, Utah. Born January 19th, 1982, to Boyd Jay and Gail Earl

Passed from this life on January 04, 2023, at the age of 40.

She graduated from Moapa Valley High School in 1999 and from SUU with a bachelor's degree in Child Development Studies in 2004.

Her greatest desire in life was to be a mother and raise children that exemplified Christ's attributes. She was an incredible mother who constantly sacrificed everything for her children. They were truly the most precious possessions she had. She taught them love, kindness, service, dedication and the principles of the gospel of Jesus Christ through her example. Her children knew they were of highest importance in her life as she would drop anything and everything for her children.

While raising her children she held many callings in her church where she served faithfully and tirelessly to help others reach their goals and aspirations in life. She truly loved those she served.

Her favorite hobbies were reading, traveling, serving in her church but she

found special joy in spending time with her children and enjoying the spice of life that each of them brought to her.

She is survived by her family consisting of Darren Earl (Carmel Ann), Terry Earl (Linda), Brett Earl (Jennie), Justin Earl (Alyssa), Kandace Booth (Trevis), Stacha Westbrook (Justin), along with many nieces and nephews.

She was on schedule to graduate this year from high school and at the same time would receive her Associates Degree from SUU. She planned on attending SUU in the fall where she was going to pursue a degree in digital marketing.

She was active in her church and had many friends there and at school. She was truly a blessing to many people. She passed from this life on January 04, 2023, at the age of 17. “ *It was my honor and pleasure to have taught Tausha in high school and coached her in softball. She was a sweetheart in every way. Once we traveled to Ely, Nevada to play and it started to snow. Tausha was so cold when she hit the ball with her bat, it stung so bad she wouldn't swing anymore. Most of the other girls wouldn't swing either, needless to say we lost the game. She and her sister, Stasha, loved softball and always gave everything they had. My heart is broken and I send all my love to Stasha and her siblings.*

“ Dearest Angel Briley, I only knew you for a few short months, but you were my buddy. I loved seeing your smiling face every day. You always told me about the books you were reading. You always told me that I needed to read Melanie Dickerson because you loved that author and her series. Now I know I waited too long to read them because now I can't share them with you. Briley, you touched my heart so much and I am going to miss you. So many things in the Library remind me of you. I will be reading the books you wanted me to. I will always remember you.

“ Tausha and her family will be greatly missed. She was always fun to talk to and helped to normalize the hardships of motherhood for me when I was struggling. I think I will always think of her, Sienna and Ammon when I see red fingernail polish and will think of the time Sienna took it upon herself to paint her and Ammon's fingernails.

*I pray that peace and comfort will come to you-- with the reassurance that you will be together again one day.*

“ I'm sad that I never met anyone in this bright, talented family. I want to send my love and prayers of healing for those who remain who have broken hearts. My thoughts are with you. So sorry for this major loss. The whole community of Utah's Dixie mourns with you.

“ I worked at the preschool where Gavin went to school. I'm thankful I could help in his class a few times and get to know him a little bit. My daughter subbed in his class a lot and loved him! She said he was always making her pictures and getting stuff out of his backpack to try to give to her and sit on her lap. He ran away from his class for a minute when she was in a different class just to give her a hug. She said, "He was my buddy" Our love and prayers go to the family.

We loved all of Tausha's family because we loved her. I'm so grateful for the examples of love and friendship they gave to us and for the miracles they have brought to the lives of so many.*
