

Teri Lyn Lund-Henrie

September 11, 1965 - August 17, 2022

Teri Lyn was born September 11, 1965, to Heber and AnnaDee Lund in Cedar City, Utah. "And though she be but little, she is fierce." Teri had the most fun loving, quirky personality. She made an impression on everyone she met and impacted many lives. Teri befriended everyone she encountered. "Everyone needs a friend."-Teri

Teri lived her life passionately - whether it was cooking meals, creative crafting, relaxing at the lake, rock hunting, bike riding, hiking, riding motorcycles or camping - anything relating to the outdoors she loved and enjoyed. Teri loved music, especially 80's rock! You would often hear her singing her heart out while "putting her face on" in the bathroom. She also enjoyed watching movies with her daughter and grandkids.

Teri was raised in Cedar City and moved to St. George with her family before her senior year in high school. She also attended Evans Hairstyling College.

Teri passed away on August 17, 2022, at the age of 56 after a courageous battle with cancer, surrounded by her family and loved ones. She is survived by her daughter, Jaesie (Brett) Hansen; her parents Heber and AnnaDee Lund, and four grandchildren, all of St. George, Utah. Her grandkids were her joy - she loved spoiling them with fun & random gifts, painting crafts, having picnics, planning easter egg hunts, playing games, having dance parties, and

going for walks with them.

A celebration of life will be held Saturday, August 27 at 11:30 AM in the Parowan City Cemetery.

“ My memories of Terri are from when we were best friends at age 4 living just down the street from each other. We colored together and made mud pies. I remember how sad I was when we moved to Oregon and sold our home, because we wouldn't be able to play with Terri everyday.

“ I have so many wonderful memories of my 45 years of friendship with Teri. Who knew talking thru my backyard fence with a girl visiting her Aunt and Uncle would lead me to an amazing friend. We didn't see each other or talk everyday but when we did we picked up where we left off. She was a wonderful, fun loving person and my forever friend. I will miss her everyday. ❤️❤️ My prayers for her family. I'm so sorry for your loss.

“ When Teri was born, we lived in Lander Wyoming. She was almost a year old before we met her the first time. I was so amazed at her size. By the time she was walking , she thought she was as big as our daughter Lori, Sheri and Michael; and that was the way it always was. Teri was always dancing, especially when her daddy was playing the accordion.

Teri loved family and being with extended family when ever she could. Vic and I drove to Las Vegas to see her when she was in the hospital. She appreciated our visit so much, and couldn't believe we would travel that far for her. When ever I saw her or talked to her on the phone, she always told me to be sure and give her love and a hug to Uncle Vic. We love her forever.

She is a very loving person, and I know she adored Jaesie and her precious grandchildren.

I know she is in a better place. She is probably dancing and loving all of the grandparents, and telling all of the family that she is meeting for the first time, that she LOVES them too.

“ Memory of your mom: we were at a block party in our old circle and I had Sam in a stroller. Your mom walked up with your grandma, and you in your stroller. She was so excited that you and Sam were close in age, and could be friends in the ward. She was so cute with you, and loving being a mom.

Teri was always dancing- she and Sheri danced at our wedding reception- she was only abt 4 and she stole the show and everyone's heart to boot! She loved coming to Paragonah to Grandma and Grandpa's house- she knew exactly where Grandma kept the chocolate chip cookies and would head immediately to Grandma's lazy Susan cupboard for a yummy choco chip cookie.

She loved carrying my chubby baby boys around even though they probably weighed nearly as much as she did. She, Gina and Devan came and stayed with us a few times in the summer- in Woods Cross and American Fork. She had boundless energy.

I remember the day you were born- we came into town from Henderson- we went to the hospital to see her and you- it was a thrilling day for her. I always loved Teri- she always showed much love to me, then to Steve and to my kids. I will always love her and I look forward to the time that I can see her again and tell her once again that I love her.

She kept a stash of sweets on her window sill in her bedroom- just for her lovey grand babies. She wouldn't share any with me cause they were for her darlings!

I remember when you're Grandpa would play his accordion, she would dance like crazy-making up her own dance steps and moves. I'm sure they still have some old Super 8 movies of her dancing!❤️❤️❤️

I met your mom before you were even thought of. She would come over and go swimming in the pool in our condo's. Since then every time she saw me she always had a sweet smile on her face. She was always known for her beautiful smile. She always took time to give me a hug and sweet smile. It was sn honor that you asked me to curl her hair and help you with her makeup. Thank you for being a friend Teri Lyn. I treasure the time I was able to get to know you.

“ *One of my favorite memories of my aunt Teri, is when I was little she would pick me up in her pick up truck and take me to arctic circle for an ice cream cone date. She always knew how to make me feel special.*

I also remember her making all three of my kids crack up laughing on different occasions at her “turd” bun on top of her head.
