“ Terry
Was my oldest brother. 14 years older. He was
a very brave man.
Drafted into the army and sent to Vivetnam. Terry was not a
i
fighter. He was a lover. It tore him up mentally to be there. He stayed
overseas longer then what was required To make sure if his
younger brother
(Tim Clasemen)
was drafted. He would not sent over. That is why I say Terry Lee
Claseman was one of the most bravest man I have known
