“ Played more than a few rounds of Golf & Duplicate Bridge back-in the day, when Teddy lived in Salt Lake City, after she moved here from Pocatello, Idaho in the mid-80's. She loved to learn and get better, and when she was on her game, she could play a good Game of Bridge with anyone. We once qualified at the local SLC lever for the Grand National Pairs. She was fun to be with, always treated everyone with Respect and Honor. She was a good girl in every regard. This stunning picture of her posted does not do her justice. She was one of the most beautiful women the Salt Lake Bridge world ever saw. I am not sure that she knew that most men had a little Crush on her. We were luck to have her, in our present. Save me a seat at the table Teddi If I am lucky enough to make it through those Purely Gates - GBY Jim Pappas from Magna,Ut.
