“ I will always remember Aunt Terri with a smile on her face. Her smile lit up the room, and her laughter was contagious. She was a sweet, caring, gentle soul, and a loving aunt who will be missed dearly by all of her nieces and nephews. She flew across the country last year to come to my baby shower, and I'll always be grateful that I got to see her again and share that time with her. April, Jason, and Uncle Joe, my heart goes out to you as you grieve the loss of such a wonderful, sweet person. I'm sending my love and keeping you all in my thoughts and prayers.

“ *My sister, Terri, was sweet and kind. She did not have a mean bone in her body. She loved to laugh and had a childlike spirit. I will miss her for the rest of my life and I pray that we will be together again in Heaven. I love you, dear sister. I cannot believe you are gone. There is a hole in my heart that cannot be filled. Please pray for me and the family. We will all miss you forever. I hope you are with our mother and father, laughing and catching up on times past. I won't say goodbye, but "see you later".. Thank you for being the best sister in the world. I love you.*

*Theresa was a good patron of the Santa Clara Library. She loved reading a good book we recommended and I enjoyed her recommendations. She shared stories of her childhood, meeting Joe, and her two children growing up. Theresa always had a smile on her face listening to my latest adventures or best bargain at a yard sale. I will miss her weekly visits to the library. Joe and family members I am so very sorry for the loss of your wife, mother, sister, friend. Frankie Fleming*

*It is hard to believe that my loving sister is gone. We always lived hundreds of miles apart and never got to see one another much, but I enjoyed the phone conversations we had when we would catch up. The calls always started the same, I'd say "Hi "Ther the Bear" " and she would reply back, "Hi Creepo." She was always such a kind, loving sister. She might complain about someone or something but she was never serious and we would just laugh about everything. I don't think she had a mean bone in her body. I loved Terri and I will miss her terribly. May God have mercy on her soul.*
