I am so very sad to hear of Tommy's death (we always called him Tommy as kids.) We had a small group of friends who would hang out for hours playing as 10 to 12 year olds in Imperial. Fritz, his German Shepherd was always at his side. Great memories! My condolences to all of his family.

Tom (Tommy) was my first crush in 5th and 6th grade in Imperial. I will always remember his funny antics and the goodness in him. We touched bases on FB a few years ago. Although our views differed, I will always remember him as the young boy who climbed a tall fence to show off for me. RIP Tom
