“ Another regret in my life, learning of someone who I truly shared a Soldierly bond. Tom kept me out of so much trouble when we stationed in Greece together. One event on the beach enjoying those quality time, Tom and I borrowed a boat and we're going to row to New Yorkk 😊 Rest well Warrior Brother. His smile, and yes his stubborn ways were very much a part of his persona. Inside was a gentle and loving Giant who cared deeply about others. Shari, our condolences to you and your family. Peace Be With You.

“ I met Thomas through my wife, Sue. She was friends with "Sher" (as Sue called her) whom she met at American Express. When living in Utah Thomas and "Sher" would come over and we have coffee at our kitchen table. We would talk for hours. Once they moved, Sue and I visited a few times, and when they were in town, they always made an effort to visit us. We had our Vietnam service and experiences in common, along with a strong love for our families. Thomas became a great friend. I will miss him dearly. My love and prayers go out to you Sharon, and your family. David Velarde

“ *Everytime I heard Doo Wop music, I think of Tom, who got lost in the 50's & 60's. He loved his music, his exotic fish, and his 2 best friends, Boris and Charlie.*

*Wife Sharon shared a life time at his side, thru sickness and thru health.*

*Tom always had a smile for you, even thru the days when his health failed him. His will was strong but his body was tired.*

*He is at home with his Maker. God bless him, his family and friends, he will be missed. The one who will feel his loss most will be Sharon and his little buddies, Boris and Charlie. Keep them in your prayer to help them get thru the grieving.*
